1. ABOUT ATAS

The Australian Travel Industry Association Limited (ACN 001 444 275) (**ATIA**) has created a division known as the Australian Travel Accreditation Scheme (**ATAS**).

This **Charter** outlines the objectives, rules and participation arrangements for **ATAS** and sets out the terms and conditions under which **ATAS** operates.

By applying for accreditation under **ATAS** and subsequently being accredited under **ATAS**, travel intermediary businesses are agreeing to be bound by this **Charter** (as Participants). Participants must also comply with the **ATAS Code of Conduct (the Code)**, which is designed to give consumers greater confidence in dealing with a travel intermediary that elects to become a Participant in **ATAS**.

1.1. Objectives

The objectives of **ATAS** are to:

- (a) Establish a nationally recognised accreditation scheme for travel intermediaries that demonstrates to consumers their professional standing within the travel industry;
- (b) Maintain high standards of service delivery by requiring **ATAS** Participants to meet the requirements set out in this **Charter** as well as the **Code**, and providing for suitable consequences when these requirements are not met;
- (c) Inform consumers about the benefits of using an **ATAS** accredited travel intermediary when booking travel;
- (d) Facilitate the resolution of disputes arising between Participants and consumers; and
- (e) Ensure the professionalism of the travel intermediary industry into the future.

1.2. Structure

ATAS is overseen by a governance team incorporating:

- (a) The ATIA Chief Executive (ATIA CEO or CEO), who has overall responsibility for **ATAS**' operation and ensuring that **ATAS** is aligned with the **ATIA Board's** strategic direction. The CEO is responsible for advising the **ATIA Board** on **ATAS** and both monitoring and reviewing the scheme's operation.
- (b) The **ATAS Compliance Manager (Compliance Manager)**, who is responsible for assessing applications for **ATAS** participation by first-time and renewing participants, monitoring participants' compliance with the **Charter** and **Code** and reporting to the ATIA CEO or the **ACAC** accordingly, undertaking investigations into alleged breaches of the **Charter** and the **Code** and assisting participants, consumers and the **ACAC** in resolving customer **complaints** and other compliance matters. The Compliance Manager is responsible for the day-to-day management of **ATAS** and overseeing the **ATAS Charter** and **Code** including setting **ATAS** policies and procedures.
- (c) The ATAS Complaint Appeal Committee (**ACAC**), are an independent review body specifically established under **ATAS** to review and determine consumer **complaints which have been referred to it by** a consumer or the **ATAS Compliance Manager**, relating to an allegation of non-compliance with the **ATAS Code**.

ACAC members will be appointed, and required to act, in accordance with the **ACAC's** Terms of Reference at Attachment F to this **Charter**.

- (d) The **ATIA Board** is responsible for formally approving the **ATAS Charter** and **Code**, commissioning relevant reviews, ensuring **ATAS's** effective operation more generally (such as setting fees), and taking into consideration any recommendation or report from the **ATIA Chief Executive**, the **ATAS Compliance Manager** or the **ACAC** .

1.3. Obligations of the ATIA Board relating to the ACAC

- (a) The **ATIA Board** will:
 - (i) Empower the **ACAC** to carry out functions consistent with the **ATAS** objectives;
 - (ii) Ensure that the **ACAC** has sufficient resources and funding to carry out its functions in a satisfactory and efficient manner at the discretion of the Board;
 - (iii) Co-operate and comply with all reasonable requests of the **ACAC** in carrying out its functions; and
 - (iv) Ensure that the **ACAC** act in accordance with the **ACAC** Terms of Reference, as prescribed from time to time.
- (b) The **ATIA Board** of Directors upon reviewing the recommendation from the **ACAC** may suspend or cancel the Participant's accreditation with immediate effect at its discretion.

2. BECOMING AN ATAS PARTICIPANT

2.1. Who is an ATAS Participant?

- (a) A Participant is a travel intermediary who is accredited under **ATAS**. A travel intermediary is an **entity** that is domiciled, registered or incorporated in Australia, and provides a **travel service** on behalf of a **travel supplier**. This includes, but is not limited to, a travel agent, travel management company, aggregator, distributor, online travel agent, inbound or outbound tour operator, wholesaler and a consolidator, and their employees.
- (b) Full **ATIA** members must be **ATAS** accredited.
- (c) Entities that choose not to be **ATIA** members may still apply to be **ATAS** Participants but must also demonstrate membership of an industry body, association or other relevant travel industry association. In the event of any conflict between the operation of any non-ATIA membership terms and conditions and this Charter, the ATAS Charter and Code provisions are to prevail.
- (d) Related Bodies Corporate.

In assessing an ATAS applicant or Participant, the ownership structure of the entity will be taken into consideration. The criteria outlined in cl 2.5 will also be applied to holding companies and parent or ultimate parent entities to determine eligibility.

2.2. How to become ATAS Accredited

- (a) Travel intermediaries who wish to become **ATAS** Participants, or to **renew** their existing **ATAS** Accreditation, must meet the eligibility criteria listed below or as amended from time to time.
- (b) Applications to become a Participant and applications for renewal must be submitted in the form required by **ATIA**, and must be completed by the Applicant.
- (c) Applications will be assessed by the **ATAS Compliance Manager**.
- (d) If the documents submitted are in any way incomplete or unsatisfactory, or if the **ATAS Compliance Manager** believes that further information is required to determine whether the eligibility criteria have been satisfied, the applicant will be notified in writing. In any such event, if the applicant is a Participant, the **ATAS Compliance Manager** may suspend the applicant's accreditation for such period and on such condition as the **Compliance Manager** thinks fit.
- (e) An applicant who receives such a notice will have **14 days** from the date of the notice to provide additional evidence of compliance or otherwise correct the deficiency in their application or renewal.

2.3. Unsuccessful applications

- (a) An unsuccessful applicant may request written reasons from the **Compliance Manager**, but must do so in writing, within 7 days of the date of the **Compliance Manager's** notification that the application had been rejected.

- (b) A Participant's accreditation will automatically be cancelled on the date of the rejection of their application for renewal of accreditation.
- (c) Immediately upon the cancellation of a Participant's accreditation, **ATIA** may place the fact of such cancellation and the reason for it, on the public record.

2.4. Review of application

- (a) If the **Compliance Manager** determines to reject an application, or otherwise that the accreditation of a Participant should be cancelled or suspended, the person or entity the subject of the decision may request a review of that determination by delivering to the **ATIA** CEO within 14 days of the date of the **Compliance Manager's** notification, a written request for a review, stating clearly the reasons why the determination was made in error or, in the event written reasons have been requested in accordance with clause 2.3(a) above, within 14 days of the date of those reasons.
- (b) Upon receipt of such a request within the period stipulated in the preceding paragraph, the **ATIA** CEO must review the determination based upon the Participant's request and the material before the **Compliance Manager**. The CEO has all the powers of the **Compliance Manager**, and may affirm the decision of the **Compliance Manager**, refer the application back to the **Compliance Manager** for reconsideration, or substitute his or her own decision but may do the latter only in the event he or she is satisfied the **Compliance Manager's** decision was one that no reasonable **Compliance Manager** could have made. Within 14 days of receipt of such request, the **ATIA** CEO must complete the review and notify the applicant in writing as to the outcome of the review, stating reasons. The decision of the **ATIA** CEO in respect of the review will be final and binding.
- (c) An Applicant or Participant may seek a review from the Independent Chair of the ACAC to determine whether the ATAS Compliance Manager and ATIA CEO extended the principles of natural justice and followed due process in making their determinations. Such a review must be requested within 14 days of the ATIA CEO issuing their determination pursuant to cl 2.4(b) above. Where the Independent Chair determines there was an error, they will return it to the ATAS Compliance Manager and ATIA CEO to review their decision and to apply correct procedures and natural justice.
