

For peace of mind in the palm of your hands, download the Cover-More app from Google Play or the App Store before you leave for your trip.

## Cover-More App

The Cover-More app uses geo-location technology to provide potentially lifesaving assistance and critical information wherever you are in the world.

**Real-time safety alerts** – Important travel information delivered directly to your phone.

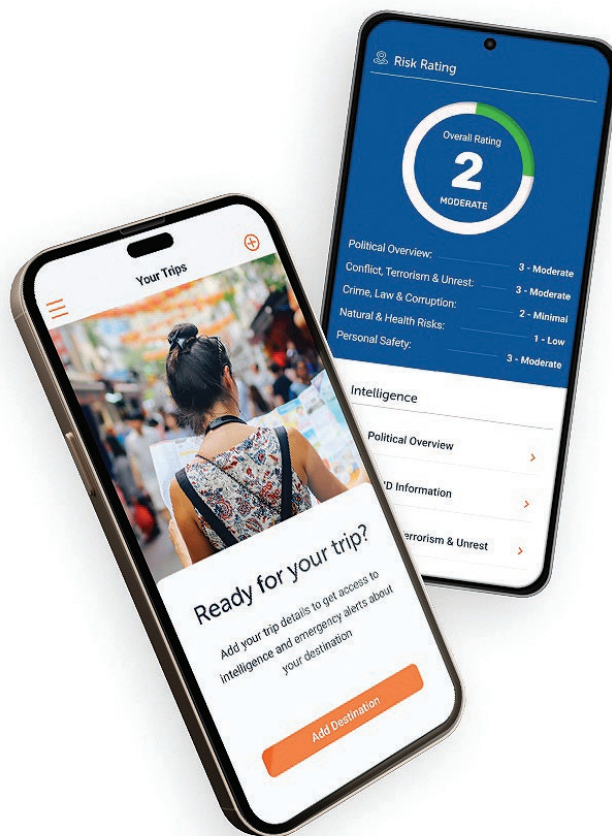

**Travel assistance** – Help is just one tap away at any time and from anywhere with 24/7 connectivity to our Cover-More Assist team.

**Expert advice** – Country and city intelligence reports including the latest COVID information

Remember to turn on location services and push notifications when you download the app, so we can keep you safe

COVER-MORE APP

Travelling safely and confidently has never been so easy. Wherever you go... all in the palm your hand.

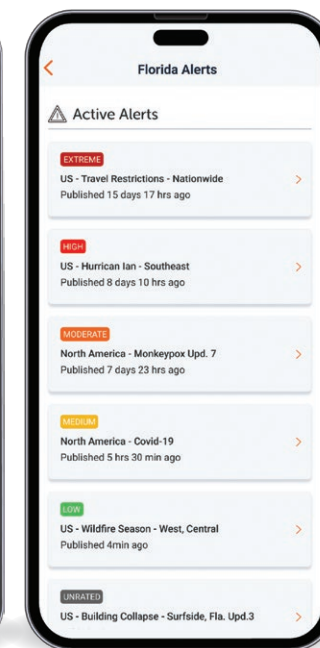

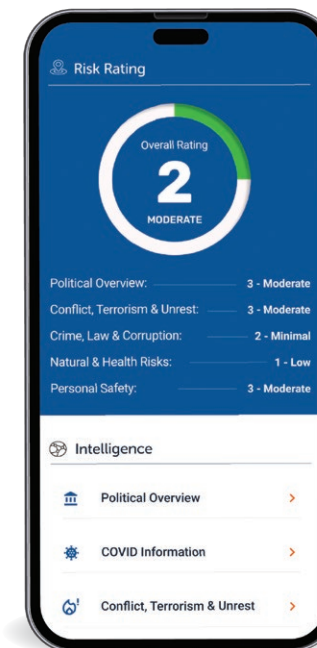

## Real-time travel alerts

With relevant safety advice and alerts on your smartphone's lock screen or within our Cover-More app, you can focus on what matters most while you're travelling: enjoying your trip.

The app provides a direct communication channel to alert you on:

- Natural disasters
- Crime incidents
- Extreme weather events
- Transportation issues
- Civil unrest

## Location Aware

Using the GPS coordinates, accessed via your smart phone, the Cover-More app is able to know where you are and provide you assistance for that location.

**Around the globe** – The Cover-More Assist team are able to detect your location, realise you are in a new country and offer you assistance based on this location.

**24/7 access** – Help is usually needed at the most inopportune times and Cover-More Assist are there to answer the call.

**Protection when and where you need it** – Knowledge is the best protection, but when circumstances call for immediate help the app provides all of the necessary features to get you to safety.

## On Call Medical Assistance

Need help finding a pharmacy in Madrid? Or a doctor in a location close to you? When medical assistance is needed, simply tap to connect to Cover-More Assist, our 24/7 overseas medical and emergency assistance team.
